

SDS +/ M14 PADDLE MIXER ADAPTOR AND MIXING PADDLE EXTENSION M14

NEW IN OFFER

MADE IN
POLAND

Need a longer paddle mixer? The thread does not fit your drill or mixer? New products in our offer will solve your problems. **GALVANIZED EXTENSIONS AND ADAPTERS FOR MIXERS** will improve your comfort of work and allow you to adjust the agitator to your device. Extensions available in three lengths (10, 15 and 20 cm) are dedicated to tall people who have to bend while mixing the mass. For owners of mixers with M14 thread mounting, an adapter will be useful, which will allow you to change the mounting to SDS.
